

COMMONGROUND MINISTRIES

"Missionary 4A Day"

Common Ground Ministries is committed to both "unity within the Body of Christ" and Missionary outreach. Spawning from our "International Missionary Work," we are now seeking missionary work in our own "back-yard." This local outreach is now known as "Missionary 4A Day." This "mission" gives people the opportunity to step forward and serve for a day or weekend, whereas they would not be able to serve on a long term mission trip.

We now need men to step forward with a heart to serve on our team in both supervisory positions and as skilled workmen. As this pool of men grows, we hope to have enough skilled labor to pursue multiple local missionary projects. The following is a list of positions and skills needed:
